INDEPENDENT AUDITORS' REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL INFORMATION TO THE MEMBERS.

Introduction

We have reviewed the accompanying condensed interim balance sheet of **SAZGAR ENGINEERING WORKS LIMITED** as at December 31, 2014 and the related condensed interim profit and loss account, condensed interim statement of comprehensive income, condensed interim cash flow statement, condensed interim statement of changes in equity and notes to the interim financial information for the six-months period then ended (here-in-after referred to as the "interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review. The figures of the condensed interim profit and loss account and condensed interim statement of comprehensive income for quarters ended December 31, 2014 and 2013 have not been reviewed, as we are required to review only the cumulative figures for the six months period ended December 31, 2014.

Scope of Review

We conducted our review in accordance with International Standards on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information as of and for the six-months period ended December 31, 2014, is not prepared, in all material respects, in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting.
